Unit 6 – Let's go online

Narrator: **Unit 6. Let's go online.**
Weekend plan.

Justin is talking to Kate about his plans for the weekend. Listen to their conversation and answer the questions.

Kate: Do you have any plans for this weekend?
Justin: I'll go to the beach. I went hiking last week and found out the weather is getting better as summer is approaching. I'm hoping to do more outdoor activities like cycling and sailing this summer.

Kate: Who are you going with?
Justin: Alex Cindy and I. We called Wendy and Tommy, but they have other plans.

Kate: Which beach are you going to, the one on the west coast?
Justin: No, the water there is a little bit dirty. The one on east coast is close to fishing village and is crowded. So we are planning to go to the south coast.

Kate: How are you going there?
Justin: Alex's car is out of service, so we are thinking of taking a bus. It's faster. Taking a train could take hours and hours.

Kate: How much is the bus fare?
Justin: If we take the minibus, it's $5.30 for adults. Since we are students, we will get a student discount; it's $3.30. The bigger buses would cost $6.50 even with student status. So we'll just take the minibus.

Kate: When will you get up on that day?
Justin: I told my friends I would meet them at 7:15. I will get up half an hour earlier. The bus will leave at 7:30 AM.

School information day.

You will hear a man talking about language courses at the School Information Day. Listen and complete each question. You will hear the information twice.

Man: Students, teachers and parents. Thank you all for coming to this Information Day. For the next few minutes, I will talk about the new courses that students can take during the summer. All of them are language courses, six **French** courses and six English courses. There are three beginner courses and three **advanced** courses for each language. Before taking the course, all students have to take a test which lasts **half an hour**. By looking at the test grades, the teachers will decide if the students should go to the beginner level course or to the advanced level course. The course fee for the beginner level of both French and English is 3,000 dollars a month. The fee is lower for the advanced level, at only 2,500 dollars per month. Throughout the summer, the library will be open **daily**, and there will be reading and writing **clubs**. They are free for all students. We hope that students' language ability will improve by the time the school term begins in **September**. If you have any questions, you can ask me or my assistant.
