Children's Companion on their Cambridge Journey

This newly designed course book combines the Cambridge English: **Starters** syllabus, with Eureka's communicative approach to teaching school programmes. With its age-appropriate activities, and child-friendly graphics, this programme introduces essential English used in every-day life. It also serves as a preparation tool for the Cambridge **Starters** exam.

- ✓ **Topic-based curriculum** covering all essential areas of the **Starters** level; listening, speaking, reading, writing and grammar
- ✓ **Clearly defined learning objectives** and meaningful tasks included in each unit
- ✓ **Structured lesson plans** for classroom delivery by native speaking English teachers (school programmes only)
- ✓ **Exam-format** consolidation exercises
- ✓ **Unit-by-unit vocabulary list**
- ✓ **Final mock test** to evaluate learning

This book is one of the four parallel volumes designed for the **Starters** exam. Together they serve as a great English resource, to be used alongside regular school studies. **Cambridge English: Starters** corresponds to the **Pre-A1** Level of the Common European Framework of Reference for Languages (CEFR). It is recommended for students from **K3** to **P2**.
