Exercise 4

Harry is talking about his house. Read what he says and tick (✓) the correct boxes.

Hello, my name is Harry.

I am going to talk to you about some rooms in my house. First, I will talk about the kitchen. I love the kitchen because it is where all the food is. My favourite hobby is eating.

My kitchen is small, so it cannot fit a table or chairs in it. It does have a cooker and a fridge. The cooker is below the window and the fridge is next to the door.

Next to the kitchen is the bathroom. There is a shower and a toilet but no bath. I brush my teeth in front of the mirror twice a day, and wash myself with shampoo and soap.

I also like my living room. It has a big TV screen to watch my favourite cartoons. The sofa has lots of cushions on it so it is very soft.

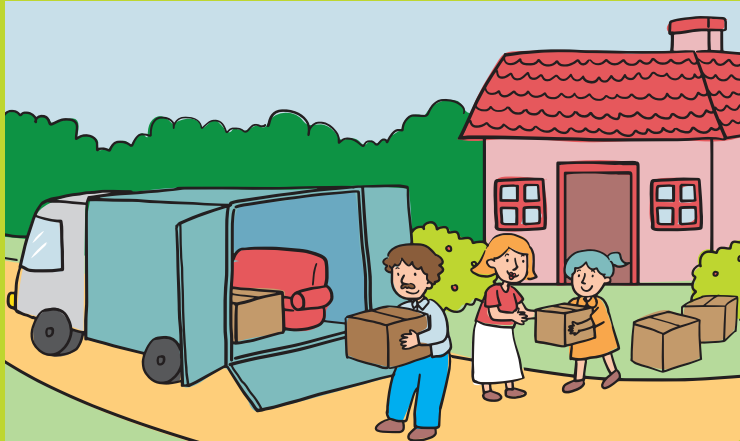

Exercise 5

Visiting the grandparents

Katy and her family are moving house because her dad got a new job in a different city.

Last Tuesday, the family packed up all their belongings into boxes and put them into a van, which her dad drove. After driving for three hours, they arrived at their new home. The house was smaller, and it was far away from Katy's friends. Katy cried, 'I don't want to live here. I have no friends'. Her mum told her not to worry and said, 'You can make new friends at school. Now, let's take you to see your new bedroom'.

Her mum walked Katy up the stone steps and used the key to open the door. Then, they went upstairs. Katy looked into her new bedroom and started to smile. It was painted in pink, her favourite colour. The room was big and had a large bed in it. Katy walked to the window, from there she had a view of the garden. She started getting more and more excited.

She ran downstairs and out the back door. In the garden was a swing made of metal. Katy smiled, she loves swings. Then Katy saw a girl at the back gate. The girl said, 'Hi, my name is Lily. I live next door. Would you like to come and play with me?' Katy asked her mum if it was OK and she said yes.

Katy was not worried anymore. She said to herself, 'Maybe this is not so bad after all!'
